Part II, Group 1, Chapter I, 1939
(G.O. No. 101, Development)

No. 113.

In exercise of the power conferred by sub-section (1) and clause (a) of sub-section (2) of section 20 of the Madras Agricultural Briquet Act, 1938 (Madras Act 18 of 1938), the Government of Madras is hereby pleased to make the following amendment to the rules stated with Development Department Notification No. 213, dated the 14th March 1938, as the Fort St. George District Government, dated the 21st March 1938, as subsequently amended:—

Amendment.

For rule 2-f of the said rules, the following rule shall be substituted, namely:—

"2-f. When a briquet has paid into bank an amount which is believed to be the full amount of the cost due in respect of the briquet:—

(i) For fuel 1947, on or before the 31st September 1948; or

(ii) for fuel 1948, on or before the 30th September 1949,

and it is subsequently found by the court that owing to a bona fide mistake in calculating the price of partly or wholly wrong briquet or cost, or the amount on the cost, or otherwise, the amount actually paid is less than the correct price due for the fuel concerned as finally determined by the court, the court shall be entitled to pay 100% of the deficiency within fifteen days of the date on which the court determines the correct price; and such provision shall, for the purpose of the act, be deemed to have been made on the date on which the original payment was made or made."
